THE PERMANENCE OF ANTI-ROMA RACISM: (UN)UTTERED SENTENCES

How do history and institutions shape the lives of Roma individuals and families today?

Join us for a hybrid (in-person + Zoom) fireside chat celebrating the launch of Dr. Margareta Matache's new book, *The Permanence of Anti-Roma Racism: (Un)uttered Sentences*.

In dialogue with Dr. Mary Bassett, Dr. Abadir Ibrahim, and Dr. Bram Wispelwey, this conversation will explore how Romani Studies informs broader discussions on health, policy, and social inclusion.
